I was deeply saddened to hear that Peggy had passed away. I worked with her for several years at Kaiser Permanente. She was a lovely person and it truly was a pleasure to know her. I would like to extend my condolences to her family and friends.

I met Peggy on Christmas Eve when I was 16. That was many years ago. She was my sister in law for sometime and my friend forever. She was also the best aunt ever to my 4 daughters. Peggy will be missed but never forgotten...Take care Lori and family and Charlie too.

Peggy was my strong right hand in physician recruiting for many years at Kaiser Permanente and played a major role in bringing in so many top physicians to CPMG. She was a joy to work with and a dear friend. I will always remember her wink and smile! She truly made the world a better place.

We were so sorry to learn of Peggy's departure but understand the pain she has been in. She was a wonderful friend when we were kids and certainly will miss her. Our deepest love to her family and to Janice, Kay and Bev. Love and prayers from on old Derby friend, Warren Reichert (& Lydia)

I was so sad to hear the news about Peggy. I was hoping we would get together soon as it had been a while. Peggy was my friend and mentor at Kaiser Permanente for many years. We shared so much laughter and she made each day more enjoyable with her great sense of humor and big heart. I will miss her very much. My prayers and thoughts go out to her family.

My deepest sympathy to Peggy's family. What a wonderful gal and a dear friend. We have been friends for over 50 years. We saw lots of her and her late husband, Cy, as my deceased husband Dick and he were great friends. Over the years we just sort of lost track of each other, but will always have fond memories of Peggy and the times we shared.
