Carolyn Jo was an incredible person. When my Dad died, Jo shared what a blessing he had been in her life and what a special place he held in her heart. Now, I want to share with her husband and daughters what a blessing she was to me. Carolyn Jo left this world a better place because she lived her life for her Lord and her family. We all miss you, Jo but I guess God needed you more.

My sister Carolyn Jo was a special person to me. I will always miss her, but I feel that she is with me in spirit. God has a wonderful new angel. She loved her family so very much and her family loved her for all she taught us.

Jo was a delight to help during the time that she had Ice Petals. As a customer she had such a pleasant attitude and a wonderful, warm smile. I know her family and friends will miss her. May God Bless each of you.

I remember visiting my mother, Karen, and always seeing Joe's smiling face, working at Ice Petals and all of the these ladies numerous arts and crafts shows. She always cared as to what was going on in my life even after I moved away. Joe will always be in my heart and my memories. God bless you Jim, JoHannah and Heidi.

There is always a special person in your life who touches your heart in a special way. Designing for Jo at PETALS, taught me the color of life, natures flowers. I am now blessed to have two special guardian angels, watching over me. Jim, Jo will always be by your side. JoHannah, your loving Mom will always be watching over you. Heidi, every time you look into your son's eyes you'll have the presence of your Mom. Always in my heart.
