

Online Condolences For Dean Reynolds

You will be greatly missed. I have thought about many times throughout the years remembering the many camps and hikes you took us on as scouts. Very good memories. Thank you Reynolds family for sharing him with us. He was a great Scout master and taught me a lot.

-Greg Hatch (Mule)

I wish I could fly up for your funeral service. But your family will be in my prayers that they may be comforted during this trying time of great loss. Chief, thank you for all you did for me and so many other young men. We were just boys, but you called us young men, and you taught us through your example to be men. Your service to us through the Boy Scout program and through your friendship throughout the years has had a positive influence on generations yet to come. We love you and will miss you, but you will forever be in our hearts.

-Sincerely, Keith Hall - Troop 231

As with all the scouts who will post here, or offer words to the Reynolds family, I was the recipient of this great man's friendship. He taught us to be men, to honor God and our Priesthood. He regaled us with many stories of life's lessons. If we were listening, we learned so much about life, and how to treat others with respect. Chief you will be sorely missed, but I am so happy for you now that you're with your sweetheart just in time for Valentine's day. God bless your family with comfort and peace that Dad/Grandpa is happy and where he wants to be. You will be forever "Chief" to so many grateful men.

-Love Elvis.

A gentleman with a quick smile, a scout master who taught me respect for the outdoors, a mentor who reminded me of service to others, and a friend who treated me as if I were the most important human being in the world.

There is, and always will be, only one "Chief."

-Greg Richens

It has been a sad delight to visit with other Scouts as we have remembered together our time with Chief. I second Ryan Peltier's sentiments about Chief in his funeral talk: Chief's time, interest and love is what made him special to us. As I have remained involved in Scouting in my adult life, the years with Chief have given me stories, examples and

motivation to carry on Chief's love of boys and love of Scouting. Just the words Shindy Draw, chicken hike, Lake Mountain, winter camp and Troop 231 bring back floods of heart-warming memories. Thank you Chief, thank you Donna for sharing him with us. With love and a firm belief we will all see him again to live the memories together.

So sorry about dean he was a wonderful person. So loving and kind.

I had the privilege of working with Dean at Frontier Airlines. I learned to love him. I was transferred to Montana in 1982 when Frontier pulled out of Vernal. Dean and I have kept in touch over the years. Last time I was able to spend time with him was last June when I was in Vernal. I am sorry that there will be no more time with him in this life. I particularly loved his stories of his times spent in the Uintah Mountains.
