I can't say enough to describe the joy Doug has given to all of our lives. Having been friends since the mid 80's, we shared many laughs and good times. He will be missed beyond words, but I feel better knowing I have yet another angel to look after us all.

It was such a pleasure to work with Doug while at Frontier Airlines in Denver; his ready smile and laugh what more could you asked from a friend. We were happy to get together at one of the picnics just a few of us to sit around and talk about the old days. We are sad to see you go, you will be missed. Our prayers to Randy, and the family.
