Diane and family, Darla and I were sad to hear of the loss of Guy. We will greatly miss his waving and honking as he drives by our house. One of his greatest attributes was his positive outlook on life. Whenever asked how he was doing, he would reply "awesome!" or "terrific!". That alone, would make the day seem brighter. We will greatly miss him clearing off all the sidewalks of snow with his Four-wheeler every winter. He was so thoughtful. Your neighbors David and Darla Wilson

Diane, I am deeply sorry for your loss. I played golf with Guy many times and also visited with him at the health club. He truly was a great person and always had a great sense of humor. We all will miss him. God bless you and give you strength. Phil Knutson

I am saddened by the death of our Dear Friend Guy. He was an asset to us as an Insurance Agent for our business as well as personal. We always appreciated the help and advice he had to offer. We became good friends and shared lots of stories over the years. Guy made a point to be in attendance at my husbands funeral 18 months ago and my family and I appreciated that. I pray that you find comfort in knowing that he is Happy, Healthy, and Whole today, walking arm and arm with his Lord and Savior.

It is with great sorrow that I am hearing of the passing of Guy. Guy was our insurance person for nearly three decades, but he was so much MORE! I will never forget when we had our house fire. Steve and I were a young couple with a toddler and an infant. All we were left was the clothes we were wearing. As I stood looking at the devastation, in shock, here comes Guy. I didn't even call him. I don't know how he found out, but he was there. He gave us a check to get us by and even offered to let us stay with him. He helped us find temporary housing, got us back on our feet and facilitated the restoration of our home. Over the years there have been many instances where Guy stepped up and stepped in. He was just that kind of a caring and involved person. I hope that my story and the stories of others will bring you comfort during this time of incredible loss. We will all surely miss him.

I am so saddened to learn of Guy's passing. My sympathy and compassion for his wife and children and extended family. Guy was my insurance agent for almost 40 years! He took over my parents' insurance when their previous provider cut them off at age 65! Guy was wonderful to them and to me as I moved into my adulthood and had sole responsibility for my home and vehicles. He took very good care of me, always handling everything with his smile, friendliness and concern. I never had to worry about a thing with my own insurance or anyone else's. Guy was my protector and he became my friend and cheerleader whenever I needed one. I am thankful and blessed because Guy shared a piece of his kind and generous heart with me. I am forever grateful he was in my corner, on my side. Thanks to his family for sharing Guy with so many over the years of his career and life. I can only imagine how many times his clients took him away you to handle claims and issues. Guy was a wonderful man and I know that his family meant more to him than anything of the material world. I am comforted knowing he is at peace. I pray I said it enough, but let me say it one more time, just in case: "Thank you for taking such good care of me, Guy. You're the best." Always with love and respect, Lois Conatore, Client and Friend

If only I had the words to convey how much I miss my larger than life friend. Not a day will ever go by when I won't miss him. Golf and New Years Eve dinners will never be the same. My thoughts are with his family now! Love you all. John G.
