I first met Jack on the ramp in IAH when DEN was closing as a hub. I was a young supervisor on the ramp and was Jack's night-time relief. Our conversations were briefed and I always looked forward to seeing him as I got to know him. His energy, compassion and work ethic will always be branded in my head. He always went out of his way to lend a helping hand. To his family, my thoughts and prayers are with you all. A great man was laid to rest today however he will never be forgotten.

Jack is one of a Kind! With a Heart of Warmth, A Never Ending Smile, Positive Energy and Always Upbeat (even on the ramp at old stapleton in a winter storm). You touched the hearts of many and you will be forever missed!

Love and Prayers to all your family.

The Latta Family

ALL of you knew how much Jack meant to me. Even though I fell way short, Jack was the man I always wanted to be like. He was my personal HERO. I will miss him dearly.

I met Jack and his family at around 8 years of age as my father worked at Walker Field with Jack. As our families vacationed together at Lake Powell, I began to recognize what it was that set Jack apart; he was

the hairiest man on the face of the Earth. I was fixated to marry just such a man! On a more serious note, I have many fond memories of Jack, and I consider myself very blessed to have known him. I send my sincere sympathies to his family. God Bless.

Trust in the LORD with all your heart,  
and do not lean on your own understanding.

In all your ways acknowledge him,  
and he will make straight your paths.

Proverbs 3:5-6

My condolences to the Latta family. Jack was such an awesome man and I am glad I got to know him and work with him at TSA at IAH. He was a joy to be around and told it how it was. He treated people with respect and in turn so many respected him. He was a supervisor to many, a mentor to some and most importantly a friend to all. He loved his Family you could tell and I hope they are comforted during this time of grief. I know they will see him again in Gods Glory

I remember Jack during night time deicing on Concourse C Stapleton Airport in Denver....snow boots, gloves, parka and those red wind burned cheeks and twinkling eyes. Jack Latta was a quality individual. A stalwart leader who was never too busy to share his time, his experience or his thoughts with whomsoever sought him out. Always a smile, a nod of the head and a kind word. What a great guy.....
