I knew Jim for over 35 years as we worked together at Frontier, Piedmont and US Air airlines. Jim was a pleasure to work with but more importantly he was a friend. He always had time to share a story about his travels and his family. He will be missed by all that knew him. God Bless you and your family, Jim.

I had the privilege to work with Jim for 20 plus years. We had many a good laughs together and he had a smile a mile wide. Many thanks go out to Jim for keeping our airplanes safe and sound for 37 plus years. Buddy, you are going to be missed. Make sure you have me a good hunting spot when I get up there. May God bless your family with comfort and peace.

Jim was my husband of 15 year`s and the father of Joel and Westin. I am saddened that the boys have not had in put into their father`s obituary. When a son marries, it seems his wife takes over as the family matriarch. Jim and I were in Love as friends can attest. We had, and raised 2 wonderful sons that are each successful in their own right. I am very proud of the family Jim and I had together and how the legacy continues.
