**Linda Wells Lorberau**

**I wanted to let you know that dad, Albert Wells, passed away on March 19th.**

**He didn't want an obit so there is none.**

**I am pretty sure he was the head of the Frontier company store. I think he was in some type of exchange program where he was sent overseas to work on and train people on how to work on planes.**

**He loved Frontier and met mom while working there.**
