How Tina and Troy Met Each Other.

Tina and Troy work together at the same company at United Airlines and we met about five years ago. I went up to the jet bridge to retrieve a stroller to carry below and I heard a soft but firm voice say "would you like a drink of cold water"? I said no! Tina insisted I take a drink. I then looked up and almost passed out because of her beauty and said whats your name and she replied "Bettina" but everybody calls me Tina. I took the water she offered and actually trembled of how attractive she was and she replied "are you Ok"? Tina turned to walk away and I saw that her hair was 3 feet LONG I almost fell down the jet bridge stairs. I ran down to find a pen to get her number and the jet bridge was moving away from the plane. AS the plane was preparing to depart I asked the pilot if he could give the beautiful Flight Attendent my number.The pilot said he would.Two weeks went by before Tina called to tell me she lost my number and she thought she would never reach me again. I purposely worked the same gate hoping to see Tina again and I DID! The same gate she said she thought about me and missed me and I told her I missed her too.We were together from that day on. I LOVE AND MISS YOU SO MUCH Tina-Bettina. TThats what I called you and you said you liked it because it sounds cute.Tina I've learned so much from you in the short time we were together than I've learned in my entire life time and it was TRUE LOVE. You're a giving ,loving and caring woman to your kids and family and me! You are in MY sprit everyday and FOREVER! love you so much Tina-Bettina. My heart hurts.I miss when you call me and get on me for any and undefined I miss your voice I miss your smile and your crazy laugh. I told you Tina what i liked about your your pretty white teeth was two of them looked like little vampire teeth and you said whenever you get mad at me , you won't hit me but you'll bite me and you DID!Those are the memories I take with me for life. The dinners. going swimming at your pool. washing your clothes and I remember you saying, since you liked washing so much wash everything! I miss our drives and most of all I missed being with you and it hurts so much of the times we've could and should have had more.We will in heaven. I'll NEVER say goodbye but only I'll see you later! love you Baby, Your Troy!

My Girl

I remember a time we flew together on a layover in downtown Chicago. It was a 4:00am p/u and Tina couldn't find her ID. She opened up her suitcase and started throwing things out looking for her ID. Panties and bras were flying everywhere. I thought I was going to wet my pants from laughing so hard. Tina constantly made me laugh, even in the midst of everything she was going thru. I miss her dearly. Tina, my friend, I'll see you on the other side. God bless your family, especially those three boys who were your heart.

Condolence: My heart goes out to you for your loss of a GREAT woman. There are no words that can possibly comfort you, or lessen your sorrow at the death of Tina. Growing up, Tina was like the sister I never had. She was always there for me no matter what challenge I was facing. Repeatedly, Tina offered advice to my adolescent self, telling the truth no matter how hard it was for me to take, and always had a sympathetic ear when I needed it the most. I know you are proud of Tina, and so am I that I was able to share part of her life. Remember that we love and care about you. Sending thoughts of sympathy and support to you as you begin your journey without Tina.

Condolence: I will never forget you Tina!!! My memories of you go back to our old Frontier days. You were one of my favorite people to see. We would laugh until our face hurt at such outrageous stories. Your gentle spirit, infectious laughter and such sweet nature we couldn't help but love you dearly. That patchouli you used to wear to this day reminds me of you. No doubt you will be God's lead angel. Until we meet again it's relief to know that you're free of all your aches and pains. Flying without you will not be the same. Hopefully your spirit will come and visit if you're not too busy. God Bless your family and friends as they grieve. Our thoughts and prayers are with

you all.

Condolence: In loving memory to a dear friend who now suffers no more and whose body will be restored. Our hearts can find comfort in this knowing that Gods' word tells us that to be absent from the body is to be present with the Lord. For the sufferings in this life time are nothing that can be compared to the glory we will receive when we meet Him in the air. So may His grace and peace keep our hearts as we trust in Gods' unfailing love and celebrate the gift of our dear friend Tinas' life.

Message to the Family:

My life will not be the same without her, to have someone in your life for 39 years is incredible. I spoke to her the day before she passed, she left me a message on my phone that I listen to frequently just to hear her voice makes me smile. I NEVER IMAGINED LIFE WITHOUT HER. I know I will see her again but not soon enough for me.
