**Hello,**

**I wanted to let you know that my dad, Bill McLeod, passed away in 2020 and that you can remove him from your list.**

**Sorry for not notifying you sooner but I think this is the first mailing I have seen that had email addresses on it.**

**If anyone remembers him and would be interested, he passed from Lewy Body Dementia at the age of 81, 7/25/2020.**

**Thanks,  
Chris McLeod**
