**Our lives are but a journey
Filled with paths we each will take—
our joys, found in the love we give and
friendships that we make...**

**The roads we choose along the way
provide a chance to see
the beauty in each person's heart
and share its mystery.
Our fortunes aren't in "what we have" but
how we think and feel—
it's caring for those close to us
and sharing what is real...**

**And though we can't know how much time
we'll share or know just why
we have to let a loved one go
and say that last good-bye,
we travel on through life
and find the memories we hold dear
will keep our loved ones close at heart,
their spirits always near.**
