I didn't know Robert very well but I remember his smile and his positive attitude. He was a blessing to be around. Sharlene and I have a long history of friendship and mutual admiration. She has been a blessing to me many times and in many ways. She and her family have our love and prayers at this difficult time. Creda & Larry Lewis

Ron and I are so sorry for your loss Sharlene. And prayers to your family. I remember taking my three kids to your Wedding in Denver. My oldest two still remembers the long ride from SLC, Ut. I loved Robert's sweet smile and how he always made me feel so welcome when I would go visit you two. He will be deeply missed. I'm just sorry we didn't get to see him before he passed. I promise when it is really safe again I will go see you. Hopefully not too much longer. Thank you for our friendship for over 40 years. Love you so much.

Janna and I have fond memories of Robert and the Hall family in KC and vacationing on the Lake of the Ozarks. Robert was quite the boat driver! Robert always had a story to tell followed by a hearty laugh. Our love to all.

Mason and I will always remember that great day Robert drove us all around Arkansas. The foliage was so beautiful and The Rock was awesome. He was a great tour guide! Our thoughts and prayers are with you and your family.
