Oh Ligia, Chuck and I share your sadness. Bob never met a stranger and always had a smile on his face. Praying for repose of your Bob's soul and strength and peace for you.

Bless Bob and family. He was a good soul. I remember him best playing baseball in high school. He was always good to us younger kids.

Dear Ligia and Family,

I was so sorry to hear of Bob's passing. I worked with him at United Airlines and really enjoyed him. He was so proud of and loved his family. May peace and love be with you during this time of sadness.

My condolences to Bob's family... He was a really good person... Very honest with no airs about him... Always a smile, and never a bad word about anyone! We were both from Perry, I was a classmate of Jim's, and we both worked for Frontier Airlines...May he Rest In Peace!

Dear Ligia and Family,

I was so sorry to hear of Bob's passing. I always enjoyed Bob when we were in Men's Club selling Xmas trees and other activities.

God Bless you and your family

Mike and family,

Your dad always encouraged us ! I remember Mr. Voigt was coaching our basketball team. Although Mike pretty well carried the team, your dad would always encourage and seemed to find at least one thing players were good at. (I think I could make a left handed lay-up; on rare occasions).

Once after a tough loss, your dad went around and complimented each kid !!!

I will never forget how that made me feel. I still remember and cherish that memory.

I was so sorry to hear of Bob's passing. I enjoyed working with him at United Airlines for many years. He was a highly valued and respected Team Tulsa employee. His work ethic exceeded that of most. He always set a good example. He would so often talk about his loving family in which he was so very proud. My sincere condolences to each of you.
