Carol was always enthusiastic about everything she did. We didn't fly that much together but would see her at the Denver Dog Shows. My thoughts and prayers are with you and your family.

I met Carol at Northwest Pipeline and have remained friends over the years. After she left Northwest, she, I and two other friends from Northwest would have lunch at Siegfried's to celebrate each other's birthdays. I always enjoyed her company. My condolences to her family.

Carol was a very special woman; attractive, full of quick witt, intelligence, indisputable opinions, and an equally big heart! Carol and I were in the same Frontier Airlines Flight Attendant seniority bracket and, as commuters, flew a lot of fun trips together, and were on a couple of contract negotiating teams. Although we had not seen one another in many years, our email and phone conversations kept our friendship alive. Going through another presidential election without Carol's commentary and humor won't be the same! She will be greatly missed!
