Ellen and I are deeply saddened and shocked to hear about Charlie. He was a man of God; a great friend and a roly poly man of Joy. He got me to join the Knights of Columbus at St. John Vianney's 23 years ago. I was proud to be his friend. Our deepest sympathy and prayers to Charlie's family. Rest in Peace my good friend!

Ellen and I are shocked and saddened. We just found out via a FACEBOOK posting. Charlie was a dear friend and got me to join the knights of Columbus. I will never forget his robust laugh and giant voice for the love of God. Rest in Peace, my friend; see you soon!

Love,

Charlie was one of the sweetest man I have ever met. We met here at work and became friends. We loved to visit with one another. I am so sorry I just saw this, looked at the clock and there is no way I can make it. I would love to have attended today. My parents are at Calvary and next time I visit I will be sure to add him to my special list of people I go and say hello to.

Such a sweetheart.... God Bless you Charlie.... (my dads name too, love to say it)

Without the support and encouragement of Charlie, I would not be a Knight of Columbus. His confidence, and his encouragement for our council made us one of the best. I enjoyed his readings at Mass, and I am better from knowing him. Charlie now rests in the love of God. All our prayers for Sandy and the family.

My sympathies to Charlie's family. He and I worked in the same area for some time at FTB. Charlie always had a friendly smile and a pleasant laugh.

My condolences to you. May the memories of past and future better days and times be of comfort to you.

Charlie will be missed. Sandy and I loved his smile and quick wit. He was generous with his time and made you feel welcome
