I am so full of sadness to learn of Chiquita's passing. She was always so full of joy with such a beautiful smile. I remember when she first came to work with us in Denver during the Frontier and Continental merger. We laughed through the rough times. Years later I was so happy to see that we worked in the same building in Houston. Chiquita never changed. Smiling, chatting with everyone, vamping it up in the lunchroom fashion shows, passionately participating in her church's fundraisers, she had unconditional love for her family and friends. Chiquita was so full of life. I will never forget her smile and I will miss her.

Rest in Heaven, as now we know you're no longer suffering nor in pain. You are now smiling down on us. I laugh just thinking about the time we spent together catching our flights out after Christmas. We laughed the entire time!! I pray for my bro in law, Corey Dobbs and Darnell, the rest our family and yours, for peace, comfort, and understanding. I know you loved each of us and your grand babies, unconditionally. We love you, Chiquita Davis, will truly miss you, and will never forget you.....until we see you again! P.S, Kiss Grandma Michiko for me — with Corey Dobbs and TJ Thom.
