

# **DANA'S BIRTHDAY**

**Posted at FLacebook on April 10, 2015**

63 years ago today, this true friend and lover of all things fun and funny, was born in California to a wonderful set of parents, Agda and Harold Hoch. At the time, they had no idea he would grow up to be the hard working, loving, kind Super Star that he did! Today, I want to celebrate his Birthday by finishing a pledge I made to one of Dana's good friends, the wonderful friend Karen Ward Berry to help make her a GrandMother. The pledge was to pay it forward because of the kindness of a stranger to me and my Mother a couple of weeks ago. Happy Birthday, Dana Hoch! You are greatly missed by so many!
