Al, Brian and Greg and families. I'm very sorry to hear of Darlene's passing. I know she has been in ill health the last few years, but is now free from pain and resting in God's loving care. She was always fun to be around, and she and I shared some health problems together. She will be missed by all who knew her.

To Darlene's Family,

I am truly sorry for your loss. I was not privileged to know Darlene but it sounds like she accomplished many wonderful things in life and touched the lives of many, including her family, in a positive and loving way. May you find comfort in knowing that God heals the brokenhearted ones and binds up their wounds.
