Don & Bernice Hansen were married May 1, 1949 in Denver, Colorado. Don has served in the Navy 1945 and 1946 on occupied Okinawa, Japan. Upon his return to Colorado he worked for Western Electric & that time I went to DeForest Manning, Inc. a DeVry School Radio Electronics and received a 1st Class Radio licence. 2 years for Continental when they bought one of the simulators. When a company in Alaska bought the other simulator it was disassembled & sent to Alaska. That airline called him to come to Alaska to put it together & get it operatable.

P.S. He loved his job - no matter how it was & was so proud of Frontier.

I loved the air line also!
