## Around . . . and About . . .

Landscaping is the latest effort of the boys at RWL. And it seems that a lawn is hard to keep up there, but they all hope that the wind will cease for a while as they want the new terminal building to be attractive.

FRANK "FUD" DAVIDSON, Supt. Grnd. Fcl. at DEN was on crutches for a few days recently. He had a knee sprain.

Home was the place of Paul McClure's, S/A-PUB, family vacation, and S/A Bob Bricker will spend his with the Marine Corps in SFO.

S/M HEAROLD ELMER has been in the hospital. He's S/M for CFT and SAD. A speedy recovery, Hearold!

BARBARA McCLURE, DENR, is sporting a new 1956 blue and white Olds.

SLC/Capt. FERGUSON and family motored to Disneyland, and took in other high-points in the area. They had a good time.

HOWARD WEATHERFORD, new S/A-CEZ, was welcomed by his fellow-workers the early part of June. He hails from Elkhart, Kans.

S/M JIM SEBASTIAN, SDY, visited his sister and her family in SLC over Memorial Day weekend.

RIW boys hope FRONTIERSMEN grows. They also have two new S/A's: WILL WEIS of Minn., THURMAN HUNT of Colo., and ED PELLERIN, Mech., who arrived from GJT.

S/A BOB FISH and family are vacationing in Wisconsin. They motored so Bob could get a first hand view of some of the 27 cities FL will be serving soon.

OLF's Wild Horse Stampede Days are July 11-13. Anyone going?

GEORGE CRAMTON, DEN-Insp., and his wife are spending two weeks in sunny Calif.

A small tornado and hail storm hit GEY June 3. It did some damage, but no injuries. GEY'S Airport Dedication and Air Fair will be held at some future date.

When OKEY WILLIAMS, who has been assigned to INW since Sept., '56, returns from vacation he will report directly to his new assignment as S/A-PHX. At last report, Okey was still looking for a new home for "Susie," a Boston Bull pup. Anyone need a dog?

S/A JOHN KNAPP, COD, finally got his vacation and the KNAPP family is going to New York, S/A ORA KENNEDY, COD, has to make another date for his vacation.

S/M JERRY McGRATH, RWL, and his wife vacationed in cool Colorado.

## Meet Clara Nelle Kelley

Have you ever seen one of those legal tomes that are presented in CAB case hearings? While many of you may not have, there are quite a few at the GO who are acquainted with the detailed work that goes into one of these legal presentations. But this is only a part of the vast amount of work that passes across the desk of Clara Nelle Kelley, senior clerk in the Regulatory Proceedings Department.

Clara Nelle quietly and efficiently handles the compilation of the CAB filings, correspondence regarding route cases, and prepares statistical reports.

Prior to joining Frontier in May, 1957, she worked in UAL'S DEN communication center. Among her outside interests, she enjoys square dancing and swimming, as well as traveling. Wichita, Kansas, is her original home.

## Weddings . . .

Coplt DON GEARKE of PHX married Carole Tyler, who was "Miss Rodeo" of 1955 and a former TWA Hostess.

MARIETTA BEHRENDT, DENR, will be married in CHI the last part of June.

## Around and About

(Continued from Page 1, Col. 1)

BEVERLY HAYS, DENX, spent a week-end in PHX. JAN CLINCH, also in DENX, attended a family reunion at her home in Nebr. It seems a few of the others in DENX went outside of Colo.: AGNES LANTZ went to N. D., and NELL WOOD spent her vacation in Wyo.

S/A KERRY ALLEN starts in vacation July 3. He will attend the SAD Air Fair, then go to St. Johns, Ariz., for fishing.

A new golf course is under way at the OLF Municipal Airport. It's going to be a fine one and everybody is welcome.

The EICHER's of CEZ are now sporting a new '58 Chevie sport coupe in coal black and dusty.

BUD LENTELL, DENR, is vacationing in FLG area.

MARGARET HOTT from Ignacio, Colo., is a new communicator in DENX. Welcome to FL.

G. HOBBS, S/A-RWL, is kinda worried these days. His wife liked her helicopter ride so well that she may want one instead of the car that she now uses.

SLC reports that Capt. DEALY worked in his yard during his vacation, that Coplt SCHOW put in a new lawn, S/A EVANS and family motored to Evanston, Wyo., where he spent some time hunting. SSA WILLCOX and family used FL/SLC-GJT, then motored to Greeley, where they spent a few days. Mech JOHNSON flew FL-DEN-BN to MSY to ORL to visit relatives.

JIM ASHLEY, S/A-INW, is busy building a new control-line model plane. His last one "dug a hole in the concrete" after Jim lost control in a gust of wind. No injuries, but the model was "total" loss.

SLC-Coplt STELTER stayed home and painted his house. Nice work!

Stew SHIRLEY, DELP, SLC, had a good time in PHX, and Stew CAROL ASNICAR and her mother flew FL-SLC-DEN/BN-DAL/DI-MIA.

BILL GEE, CEZ-M, vacationed in DEN. The Gee's hope to move into their new-home in CEZ soon.

S/A MERLE BEELER, SDY, has his own private lake in Eastern Montana. Catches his quota of fish every day.

PHX sure draws the northern FL-ites. S/A TANNER and family spent some time recently in PHX.

Here's a good one! S/M BOB PIER and S/A DON BLANFORD, INW, went fishing the other day and almost had to walk home. It seems they parked the car in a clump of trees so well they couldn't find it when they were ready to go home.

## Sell or Swap

CAMERA . . . 2 1/4 x 3 1/4 speed Graphic in good condition. Attachments and case \$150. Contact Dolly Varden McDowell.

Three good reasons why FL flights are fast building up passenger loads throughout the Rocky Mountain West: Captains like Andy Hoshock; 1st Officers like Jerry Francis and personable stewardesses like Patti Thomas. Every week letters are received from our passengers enthusiastically endorsing "Frontier's friendly service!"

## SPORT NEWS

A fearless foursome of flying fishermen flew to Lac La Ronge in Saskatchewan, Canada to fling their bait at those finny fiends that inhabit the north woods country. HAROLD RUPPEL-DENM; MARTIN RINK-DENQ, CARL WILLMAN-DENM and his brother HENRY, departed on June 6, in their newly licensed Cessna 180, known to DENM as Twenty-six Charlie.

\* \* \*

Over SLC way it's golf! Capt. SAM GRANDE won \$30 hitting the ball around a course. He was second in the Western Open at Magna, Utah, and fourth in flight five at the SLC Amateur tournament. Capt. MATT FERGUSON also goes in for this sport, but no record of his winnings.

\* \* \*

S/A DUANE MILLER entered the Drag Races at Chandler. No report received on how he did.

\* \* \*

Fishing is excellent according to the talk around CPR, but no picture proof yet.

\* \* \*

L. P. BLATTER, Treasurer-DENA, is the first to turn in a picture of his catch. Right nice and colorful, too!

\* \* \*

S/A G. HOBBS caught two fish: one about 4 inches and the other about 10 inches in length. So far no picture received. Remember: Give weight, length, where caught, and have a witness sign it.

\* \* \*

Badminton was the favorite pastime for the BURR'S and TEVITHICK'S at CEZ, but David Burr has a new assignment.

\* \* \*

RON GILDEA, S/M-RIW, spent a few days fishing in Jackson. Thanks for the invitation to go fishing, but got to "fish" for news instead.

\* \* \*

OLF's S/M L. REDMER joined the Stamper's Baseball Club, which is a member of the NE-MONT. League. Have fun and good luck.

SUE GREEN, DENR, is taking swimming lessons at Colorado Woman's College.

\* \* \*

SLC Cpts. FERGUSON, RIRIE, BEARDSLEY and COWLEY each have boats that are used by everyone for water skiing. They are planning a water skiing party. How about a contest between SLC and DEN? There are a few hep'd water skiers around DEN. See "Swede" NETTLEBLAD, DENO.
