Early this morning the world lost an amazing man and I lost the greatest dad Gary Summers. You will be truly missed everyday. I'm glad you're not hurting anymore. Try not and get in to trouble up there cause we all know the jokester that you are! I love you daddy.

is feeling heartbroken with Gary Summers in Kansas City, MO.

Heaven gained an angel on Tuesday 4/2/24. He may have been my grandpa but he was my father. It's hard to think you can lose two important people at once.

He raised me to help out my mom and man God knew I needed him. He was a man of God and showed me what having a man in my life was supposed to look like.

Even though he will never get to meet his great-grandchildren they will know about the amazing man you were. I'm glad you're no longer in pain. The pain I feel will subside and I will forever hold onto the memories we have.
