I have such fond memories of Uncle Gene from my youth when we got together for family functions. He always seemed so calm and patient with his gaggle of kids. Uncle Gene, Rest in peace in your heavenly cabin. Our thoughts and prayers are with the Brady Clan.

Dad was a devout husband, father and grandfather. Although his patience was occasionally challenged by by lines, traffic and left-handedness he usually survived. Dad took great pride in his vehicles from painting the Packard to keeping the Pontiac pristine. He often showed his joy by whistling, humming or outright singing. I am proud to be his son.

I know how hard it is to say goodbye to a loved one. Robert must of been a great Dad and Grampa, because I have heard words of love from his daughter Sharon and grandkids Nick, Jessica and Stephine praying for all of you.

On September 7, 2013 God blessed an Angel into heaven. He was a quiet man that did not say very much but when he did you listened. I will miss him very much and will cherish the memories. I am still trying to understand how he remained sane with nine children, seven of them female. I can still here him rining and singing. I love you very much. Number 4 Kathleen.
