What's going on with the bankruptcy? Mumbo jumbo, Mumbo jumbo is about all I can make out of it. A group of over 60 courageous ex-Frontier employees, though, have obtained council to respond to the problem of the bankruptcy. These people had signed waivers and are asking the court to recognize their claims as valid and are protesting Frontier's motion to enforce the waivers and strike down the claims. If you want to find out more information on this development you might try calling Attorney's At Law Richard S. Shaffer (303) 623-4442 or Richard A. Winkel (303) 3218070. They will not give legal advise over the phone.
