Jack, So many good times we've had together! Golfing, Deer, Elk and Pheasant hunting, camping trips, and sharing a few drinks along the way for more than 25 years. I will miss you! Bye Jack, love,

I'm going to miss your sweet face, big appetite, and Irish singing on Wednesday nights in my kitchen! You were one of a kind, and I am so glad to have had the pleasure of your company and friendship. Prayers to the family of love and comfort in your loss.

Jack was one of the nicest men I knew. It was easy for him to say "I Love You" and it was easy to "Love Him". I am honored to be able to say I knew him and send my sincere condolences to the entire family. I am so sorry for your loss. Kerry, I've got ya in my thoughts and prayers.

One of my last acts as Frontier Airlines ALEA Master Chairman, in April 1984, was to present my union mentor, Jack Casey, with the 1983 ALEA Award of Merit. I nominated him for it and it was approved unanimously. Since learning of Jack's death, I have been flooded with memories of the wars we fought, the hundreds of grievances we tried to win, and his unwavering dedication to unionism. The lessons I learned from him are too numerous to count. He righted more wrongs, did more good deeds and supported more people through thick and thin than anyone else ever on Frontier Airlines. It was a privilege to be associated with him and to call him my friend.

Jack, we're sure gonna miss you, my friend. Still very grateful for you reacquainting Charla with Pat & Annie up at the park in Granby, and for 5 great years up there. Rest in peace.
