

FLacebook Postings Re Jack Gibson

Jake Lamkins

FWD email from pilot Jack Gibson's son:

Dear Friends of Jack Gibson,

You may already know that Jack is very sick with Cancer.

I want to let you know that he is not doing very well.

He is no longer receiving treatment for the Cancer, except for pain medicines.

If you have not been in recent communications with Jack, but would like to talk with him it would be best to reach out to him soon.

I don't think he is checking email, but you can call him at his cell phone: 941-545-7986.

Thank you for you prayers for Jack.

Thank you,

Rex Gibson

Jack is a dear friend and "the world's oldest teenager", as many of us used to call him. I hate that he is having such a struggle with such a horrid disease that has taken so many from us. Sending prayers.

Just talked to Jack. So glad I had a chance to tell him how much his FAL family loved him. I had to tease him about how Donna Garland finally got her pearls she's always wanted from Jack

Barbara L Bender

Anyway he got a chuckle out of that. They always had a great chemistry together, so much fun,laughter and a special love. Blessings to both

Jack was so much fun, had a great laugh, lot of F/A's in love with him, he married a couple. We called him "Whitey" for short when he was 2nd officer on the b-727. I knew him well, love him like a Brother, this is sad to hear of the battle he's fighting, I'm praying!
