I was a friend of Marc's, and I fondly remember Mrs. Sisk. She was at every school event we had, and she was always so gracious and kind. I was sorry to hear of her passing. My thoughts and prayers to the family.

I met Janet at Frontier Airlines. We were there as Frontier called it quits. Janet was the rock that many looked to. She was kind, gracious and always available with her strength and caring. In all ways, Janet was a true lady! Thoughts and prayers go out to her family.

Aunt Janet..... A beautiful lady inside & out. Words just can't express how much she is loved & cherished by all. In my eyes she is an angel in heaven & will continue to watch over all the family as she has always done before. I love you & will miss you Janet. My love & prayers are with Frank, John, Jim, & Ken, & all the family. I pray & hope you let all those good memories of Janet play over & over in your heart. My heart aches for you at this time. I know I can not take away your sorrow, but hope my loving thoughts & prayers help to give you the strength you need from day to day.

All my love.

We are so sorry to learn you have lost Janet. She was such a wonderful caring person. She and I shared the love of a sis-in-law. What a positive influence she had to have been in the lives of her loved ones. Sincere sympathy and prayers.

I'm so sorry to hear about the struggles Janet has had with her health. What a beautiful lady, inside and out! I always enjoyed talking with her, and it was such a pleasure to work with her and Frank during their real estate transactions. My heart goes out to Frank and her family. I know how much they loved each other, and were the truest of friends.

I knew, loved and worked with Janet at Space Imaging. Janet was the essence of elegance, professionalism and grace. She was a mentor when I first started as a temp and made me feel so welcome. She was the executives' rock and remained steady and calm throughout her reign as the senior executive assistant. I never saw her feathers ruffled and she always had a smile on her face with a sparkle in her eyes. She loved her family foremost and led a very happy life. She touched many lives in such a positive way. She will be missed. She exemplified my favorite saying: live well, laugh often, love much. Janet - you are with your angels now. Rest well my friend til we meet again! Love val
