

Captain Joe H Ferguson
1931-2021

Dear Friend of Joe,

I wanted to reach out to you and let you know my Dad passed away early Friday morning at home. Myself Brother Jefferson, and younger sister Kristie were there to provide Hospice care his last day.

Sunday he started feeling " weak as a kitten". Carole had not been feeling well either and by Monday she went to the ER and had the EMT's take Joe as well, of course AGAINST his will ;)

They were discharged and while they were there tested positive for COVID. Carole was sent home with oxygen but Joe somehow passed his O2 stats at the hospital so he was discharged with it. Kristie got there that evening. Tuesday he still wasn't feeling well and went back to the ER.

My wife and I headed to Utah from our home in Idaho OF COURSE, he would not be admitted. We took him home with some oxygen this time but my wife and I knew it wouldn't be long....That was Tuesday night and Friday 12:10 AM, Joe H Ferguson left his earthly body for greener pastures and hopefully where there are NO DEMOCRATS.

Anyway I wanted to give you some of the details since it happened so fast and a little note my dad had prepared which follows.

-Jay Ferguson

When you receive this, I might not have completed all of the items on my bucket list, but I will have kicked the ol' bucket. Times and places for my viewing, funeral and burial will be added at a later time..

I will be most happy to see you at any of the hereinafter-mentioned events. But remember—although funerals are usually considered events for mourning, there is to be no such at mine. I want it to be a CELEBRATION OF THE LIFE OF JOE. Have a good time on me. Laughing and merrymaking will not only be permitted but will be required.

I have had a great life. A few bumps and crashes here and there but a great experience. I have met a lot of great people along the way. President Ezra Taft Benson, Congressman Larry McDonald, Congressman Ron Paul, Senator Steve Symms, Congressman George Hansen and his wife Connie, Congressman Helen Chenoweth, Jay Newquist, H. Verlan Andersen, Sr. and Jr., Dan Smoot, Mr. Robert Welch, Robert W. Lee, Don Fotheringham, Art Thompson, Bill Jasper and many, many others. What a great experience.

I have learned that the best way to meet the very best people is to get involved in a just cause that has been made unpopular by the liberal media.

I hope that you will read my books, *The Quest: To Identify the Secret Combinations of the Devil and the Great and Abominable Church of the Devil*, found on my website: www.joehferguson.com. If you do, you will be a lot smarter when you finish it than you are right now. (And—for you cheapskates—it's FREE!!!!) Everything in *The Quest* is contrary to what you will see in the MSM-mainstream media and what is taught in the government schools. And it is all TRUE!!

UPDATE—You can also find the last book you will ever have to read, *The Naked Supreme Court* on Amazon. Sorry this one is not free.

I will be waiting for you on the other side. But no hurry. Also, after our final day of judgment, I will bring you (those who need it) down a bucket of ice water once in a while. Nothing is too good for a friend.

Hasta luego, y que El Senor les bendiga. It is time to go. I am going to jump in my trusty Luscombe, N 45569, for my last flight west.
