Lou & I are saddened by this passing of another from our FAL family. We both always enjoyed flying trips with John. Later we always thought of John when flying in the Bonanza Lou bought from him. Condolences to his family.

John was a Captain's Captain who made a lasting impression on me the many times I flew with him while based in Dallas. He was a great leader as I remember him often.

Have a great flight West, John. I'll be your copilot anytime.
