

GUESTBOOK
KARL BENJAMIN KENNEY

March 05, 2018

Dear Karl Kenney Family,

When I received the news that Karl had graduated from earth school, I felt fortunate to have an older cousin who lived an honorable and productive life. I remember him as a handsome pilot. I think it's probable some airplanes he piloted that were built by Boeing when I was working there. My most recent memory of Karl was at the John Kenney reunion in August 2017. He was the oldest cousin. Elaine Wride and I were the next in line.

My wife Eleen and I, as well as, my sisters Eleen and Donna send our love and sympathy. May God bless in your time of sorrow.

Dear Kenney family,

Jared and I and our family send our love and condolences to all of you at this tender time. I have loved and admired Karl all my life. I remember once when Jared and I were at the airport in Honolulu ready to come home. Karl had just piloted the plane in that we were taking home. It was so fun to bump into him there in Hawaii.

We would love to have attended Karl's funeral. You will appreciate our reason for not being there - along with other Kenney cousins that also would have been there. We were in the Oquirrh Mountain Temple for the marriage of our son Keith.

We know that all of the Benjamin and Vilate Kenney immediate family is once again reunited. This brings us happiness knowing that families are forever. Love,

Cousin Janet

So sorry to hear about the passing of your Husband, Dad, Grandpa, Great Grandpa and more. My association with him included a ward member, a neighbor, a second Dad and a wonderful example of what a father should be! I was able to have many cherished memories with your family since you, my dear friends got to call him Dad, I felt like his daughter too. My thoughts and prayers are with your family at this time of grief and sorrow! I love you all and send big hugs your way!

Uncle Karl was a great man and a gentle soul. I will never forget his loving embrace as he scooped up and held my weeping 6 year old DJ at Norbert's funeral, holding tight to a grandson who's heart was aching for his grandpa. Grateful for the entire Kenney family.
