First, there are those that make matters take place. They calculated and recognise very sure what they want, then they take motion and get it regardless of what takes place. They single mindedly pursue their ambition and they'll in the end be triumphant.

It is with a heavy heart I read of Kent's passing. I worked with kent at America West and have many fond memories of him and his vw bug. My condolences to his family

Dear Family, after watching the video I can truly see how close your family is..How difficult it must be to be without Kent. It was never God's will for families to be separated from each other. That why our Heavenly Father Jehovah God made this beautiful promise in Isaiah 25:8 and Revelation 21:3-5.. This web site is awesome too !! (jw.org)

I am so sorry to hear of Kent's passing, but glad he is no longer suffering. I will always remember the special times we had at family gatherings, I dislike missing the services, but am taking care of Availa in their hometown this week. Prayers and love sent to the entire family. May you treasure each memory of the good times spent with Kent as they come to mind. Love you all.
