I will always remember the trip to Utah to meet Lana and all of my relatives from Uncle Gil's side of the family. Lana was smiling from ear to ear and snorting from laughing. I am honored to have met her and even more honored to be related to her.

Joe
I met both you and Lana through our very special friend, Eva. Dave and I have great memories of being with Eva's group on several occasions. You are in my thoughts and prayers at this time. I smile when I think of the wonderful reunion that Eva and Lana will have, friends forever.

Joe,
We will miss Lana's laughter that filled our neighbor and hearts with love and joy. Her dignity and grace, especially these last couple of years shows what a tremendous and strong lady she was on this earth and will still be in Heaven. I'm sure she is vacuuming the floors of Heaven keeping it clean and ready for guests. Love and peace to her and my thoughts and love to you.

Joe, My heart is absolutely broken. I loved Lana like a sister. She fought her fight with such dignity and grace never letting on how she really felt. As her hair stylist, you know how we are told things others would not be told. I will tell you she loved you so much and always said you were the most wonderful husband. May you find peace at this time. I will miss her so much. Her laughter was so infectious. I will miss her services, but know you will be in my heart. RIP my dear dear friend Lana.
