Linda Lou (Jourdan) Robinson from Delavan IL (La Belle MO), wrote on Feb. 9, 2019:

Larry and his mom and dad and sister and brothers were such good neighbors the years we were growing up in La Belle. I remember one night we had a chimney fire and Noble and Hazel made room in their home for my brother, sister, and myself to spend the night and off to school the next day. Larry was always caring about others. Sending prayers to Bettie and the entire family.

Thinking of you and your family at this difficult time. He is above looking down on you and the girls. Remember all the good times you shared.

Larry and his brothers and sister grew up together in LaBelle as we were neighbors, shared many fine times especially in the summer time. My sister, Linda Lou Jourdan Robinson and along with other neighborhood children grew up in a safe world that we could play outside all hours of the day and evening. Larry's brother, Norman, was my high school science teacher and Betty's sister, Donna Lawson, always kept an eye on my Mother, Ruby Jourdan Henderson, as she grew older and we were gone from home. I remember when Larry and Bettie moved to Canton area on their farm they built, always showed it to my mother when I took her to Quincy. Sorry for your loss, he was too young to die. Glad you have family to be with in this time of sorrow. Thinking of you. I live in Seymour, IA and retired from teaching 40 years. Linda lives in Delavan, IL and retired also.
