What good memories of our high school days -- I can still hear Larry getting tickled and making us all laugh. That old '70's slant-back green chevrolet (with a sun visor) took the gang a many a mile!

Sue: It saddens my heart to hear of Larry's passing. He was such a good guy and thought so much of his family. I heard about his death just today. My thoughts and prayers are with you and your family.

Larry and Sue are wonderful friends and neighbors! Larry always had a smile and something funny to say! He always left a smile on our faces as he continued on his walk. Will be missed by many in Hardscrabble Way and all over the city of Fort Smith! Continue your neighborhood "watch" duties from above dear Friend!

We are shocked and saddened by the passing of Larry, our neighbor for 28 years. He was such a good friend, and I will always remember him yelling across the backyard fence for me to come mow his yard too. Minnie will always remember him answering the phone with "heh.h.h.h.low". We already miss him deeply, and pledge our love, prayers and support for Sue and the family.

So sad to hear about Uncle Larry passing, I wish I could be there with you all. One of my favorite memories as a child was holidays when you all would come down and us kids were all together finding all kinds of things to get into. Really miss those days.

Wonderful memories of days gone by. The Thomas house, sleeping in the one bedroom with beds lined up side by side, playing in the cool dirt under the house and swimming in the creek at the back of the property. How proud I was in school to be kin to this awesome guy. Gone to a better place; but never to be forgotten. Family forever, until we meet again.
