My dear friend, your mother will be greatly missed. I loved her smile and how she always made you feel so welcomed. I also loved how she always made her family the priority in her life. She truly was an inspiration. My prayers and thoughts are with you and your family.

Dearest Rene and Lupe's family,

Rick and I will be at your mother's memorial service on the 28th. Until then, please know we are thinking of you with much love. To know Lupe was to know a special dear woman. I enjoyed seeing with her in the hallways where we stopped to catch up with each other's lives. Her smile always warmed my heart, and her faith gave my own faith new wings.

Lupe, I will keep you in my heart until we meet again on The Other Side. God bless you always...

I was blessed to have Lupe in my life. She was very patient, big hearted, funny, always with good advice. Beautiful, gorgeous, loving, I never heard her say anything bad about a person. I will miss her so., always sending me Xmas cards, and birthday cards. When my mom passed. She was there for me. Miss Lupe Duran, I will miss you dearly, but I know you with your loved ones in heaven. I like be you my cousin, Lupe Duran.
