Mary could brighten up any day. It was a pleasure to have had the opportunity to work with her. My thoughts and prayers are with the family.

I am sorry to hear about Mary's passing. I enjoyed knowing her. Everyone has a small group of people they look back on and can say 'they really made a difference in my life.' Mary is in that small group for me. She helped my career at a very crucial time at Frontier, then again at SystemOne. I will always be very thankful for her part in my life.

I am so sorry about the death of Mary. Everyone whose life she touched (including mine) was elevated to higher feelings and thoughts. She was truly a "one of a kind" person who was respected by all who knew her.

Mary and I worked together and laughed together. She was a great friend and co-worker. Her positive attitude was a key to who she was, always looking for the best in everyone. She will be missed by everyone who knew her. My thoughts and prayers are with the family.
