This is Matt's wife of 48 years, Karen. It is with a sad heart that I wanted to let all of Matt's friends know that Matt passed way today January 16th. He was suffering with many illnesses for quite awhile and we truly thankful that he is now having eternal life with Jesus.

I know this isn't reaching out to all of Matt's friends that he has acquired all of these years so if you know anyone that knew Matt please let them know.

God bless,  
Karen
