I'm so saddened to hear of Mimi's passing. I worked with her at Campbell Soup and I will cherish our conversations about her exciting life. And her greatest story was when she spoke of her daughter. Nikki you were her everything. RIP my friend

I met Mimi when I started with Frontier in 1980. We've remained friends throughout the years and when I lived out of state we always got together for our standing lunch at Crepe Danielle's. A wonderful dear friend all through the years - there was always fun and laughter when we were together. Such great memories and such a big loss in my heart and for Nikki and all Mimi's friends.

Mimi, AKA, mom Buckstead to some of us, was a beautiful soul with a loving heart. I'll always remember the dinners and get togethers she conjured up for Nikki and her friends. I had no family here in California so when she came to the hospital when I had my son, bringing gifts, I was in awe. She always went out of her way to make everyone feel special. You will be missed by many, but will always remain in my heart.

MiMi was my mom's best friend since they were both 13. The stories she has told me were crazy! They had so much fun and got in so much trouble together. MiMi brought happiness to so many! She spent Easter with all of us shortly after battling cancer. She was still such a joy and never lost her sense of humor! May she Rest In Peace. Blessing to all her friends and family.
