I have so enjoyed Ollie and Lorraine since they moved to Fairwinds. Ollie was always so friendly and called me "Kimmy Baby". I am off work, so I was very saddened when I heard Ollie was gone. I will always remember his big smile!

I remember Ollie well. I hired on in 1959 with Fuzz Parten. Ollie was regional supervisor. When we opened SAF, always fun when Ollie came around. Another great FL guy gone.

I'll always remember Ollie. He was the station manager in Sidney, NE, and I was a new hire from Riverton Wy. Fond memories. Rest in Peace my friend

Lorraine and family I am saddened to learn of Ollie's passing. I enjoyed working for Ollie in the Billings station for several years. He was very well liked by everyone. He will sorely be missed, but you can rest assured that he has now gone on to a better place.

I was blessed to have Ollie working in Missoula when I arrived as City Manager for Frontier Airlines in 1981. At that time he already had 31 years with the company and I had just 10 years experience. Ollie helped make my job so much easier and he became a good friend. Rest in peace Ollie!

Dear Lorraine,

We were so sorry to hear about Ollie. We had a hard time believing it was true. We just talked to you Sunday. May God be with you and help you through this time of mourning.

Love,

John and Sharon Rancour
