Ora,

We had so many fun times it is difficult a "best" one. A favorite was when we watched WSU basketball in the final 4 a few years back. (We both said they should have won!)

I have a good picture of you and Cocoa standing together at the base of Mom's grave. (I've looked high & low, when I can find it I'll post it here.)

So sorry for your loss. I remember spending much time at their house playing with Lori when we were in grade school. He was always so nice to me.

Ora's kind to all heart was one of a kind. He'd be as much your friend as you let him. I've never known anyone who was so sincere

It was a joy of life that my Mom, Rixie, and Ora had one more Swan Song. They lived so much in that time...

It was such a privilege to have met your Dad when he was with us at Family Health & Rehab. He touched many of our lives and will be remembered with fondness.

My deepest condolences to the family. He certainly was a great man.
