

PHYLLIS J. BLECHA
Dec 4, 1927 - Mar 13, 2023

I have some news about Phyllis Blecha, She passed away on 3-13-23, at 95 years.

I will try add part of a note from her niece, that was sent to Dee Moore.

Well, I am just going to forward what she sent, as I am not very tech savvy. I won't be able to attend, as I am in Louisiana.

I know you have contact information for lots of Frontier people that might be able to go.

**Take care,
-Carol Sheppard**

This is an email from Carol Shepard regarding the passing of Phyllis Blecha. Phyllis was in Kansas Res and then came to Denver when Kansas City closed.

**I am sending a second email of the notice of services.
-Carolyn Boller**

(Still need an obituary and photo of Phyllis.)
