Jake Lamkins To Linda Lorberau on FFacebook, 7/26/22

**Did I hear correctly that your mom, Ruby Wells, had flown west?
If so, I'm sorry to hear it and want to make a memorial webpage for her.
Can you share some details with me?**

Linda Lorberau

Yes, you are correct. What information are you looking for?

Jake Lamkins

**Is there an obituary? When did she pass and what years did she work at Frontier? Thank you.
(7/26/22)**

Linda Lorberau

There is no obituary, I am not sure when she went to work there, I think late 70s until they closed.

She passed on June 14, 2022. Any other info you need please let me know and I will try to answer.

She married Albert Wells who was there from 68 to the end

**Do you have a photo of her that you like?
We could use it on the webpage.
Something from the time period she was at Frontier would be perfect.
You can see what the webpages look like at

**I will dig through some old photos and see if I can find one and send it to you
