To say my heart is hurting is an understatement, I know all of your family is hurting too, Millions of Fletcher Fans and Everyone you ever dealt with in your life are all thinking about all the wonderful times we had with you. I remember when You and Bill would come to the stand to collect, It was always a kind word, a laugh a wonderful hug, You most likely knew that helps after the hard days we have there, your life was so dedicated to your family and your Fair family, Forever in my heart , your another special Angel, I'm so sad your gone but relieved to know your no longer in pain and only a little envious that your with our Father God now. I am not in a hurry to go but glad to know I will see you again, Love you with all my heart , Esther
