Brian Sleater

Hello friends and family. This is Stella's son. Stella passed away peacefully in her sleep last night while I held her hand. She enjoyed her time here and she and her spirit will be greatly missed. Thank you for all the well-wishes, kind words, and stories some you have shared with us.

Roxanne Sleater

Our Mama Slate & Bad-Ass Grandma passed away peacefully last night. Stella was loved and adored by everyone that knew her. She was spunky, fun, loving, determined, patient, kind hearted and our biggest supporter. I was blessed to have her in my life for the last twelve years and will miss her more than I can express.
