

Guestbook for Steve Keller

04/03/2011 - Trudy Marshall

My heart goes out to you, Steve's family, at this time. Steve and Shirley were two of my favorite Okla. relatives, and I always looked forward to seeing them at reunions. They were so much fun to visit and always had big smiles. I will miss them though I didn't get to see them often, so I know you must miss them terribly. Love and prayers sent your way.

03/28/2011 - Kirk Allen

For all of you in the Keller family,
I'm so sorry to hear about your loss. I understand what you all are going through. What a great and funny guy Mr. Keller was. I always enjoyed Steve's ability to bring joy to people with his uncanny memory for jokes. I've often wondered exactly how many jokes did he have stored in his mind. You all remain in my thoughts and prayers.
Sincerely, Kirk

Steve and I were friends in High School.

Steve was a long-time friend of mine. When I opened up a travel agency in 1973, I went to the airport to visit Steve and leave some cards for people who needed intricate ticketing. He referred many clients to me through the years and we had many good laughs. He always had a joke for me when I went to see him. I have had him on my mind many years and didn't check in with him, so I wanted you to know how special he was to me. He was loved by many people.

03/28/2011 - Jordan Teasley

You will be sincerely missed! I'm sure you're in heaven right now telling jokes. I do not think there was a time I was around that you weren't laughing. Thoughts and prayers are with the family!

I knew Steve when he lived in Kaw City as he was one of the city councilmen that I was very happy to get to know and work with as I was the city clerk. I also enjoyed the times down at the marina when we all would get together and fish and bull----. Steve was really a great guy and he will be missed. So sorry for your lost
