THOMAS H. "TOM" TAMMEN

Bob Dudley

On behalf of Bruce and I, I wish to send all of the Tammen family our deepest condolences. Tom was such a part of our growing up years and continued to remain a very close friend to our brother, David. So many memories come to mind from growing up with Tom, Margret, and Jane. And like the memories, our friendship will never fade or falter. Tom was truly a valued friend to all of the Dudleys!

Our prayers to Tom's family. I met Tom in 2003 when I was a Cowboy Medic, he was introduced to me because I was thinking of becoming a Farmers Agent. His advice and encouragement convinced me to take that leap after 20 years in the Air Force. He was always available for any questions I had and I am proud to have called him my friend and a mentor. RIP Tom, the world is a bit worse off with you gone but Heaven is better with you there!

A truly amazing man will be greatly missed. From days in the goose pit when I could barely walk but he would make sure I was on the stool next to dad, to sneaking me cotton candy with Frew at the circus, to hunting trips and countless nights sharing a beer after a great night of trap shooting a special man to our family will be greatly missed. Have a drink for all of us up there and save some good hunting stories to . You were a hell of a man Tom!
