## *I'm Free*

*Don't grieve for me, for now I'm free  
I'm following the path God laid for me  
I took His hand when I heard Him call  
I turned my back and left it all.*

*I could not stay another day  
to laugh, to love, to work or play.  
Tasks undone must stay that way.  
I found peace at the close of day.*

*If my parting has left a void  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss,  
Ah, yes, these things I too will miss.*

*Be not burdened with times of sorrow.  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much,  
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief,  
Don't lengthen it now with undue grief.  
Lift up your hearts and share with me  
God wanted me now: He set me free.*
