

Hi Jake

I am writing to let you know what has transpired in my life since the Bankruptcy

when Frontier went Bankrupt.

I decide to stay in Cedar Rapids because I had a house here and jobs were as good or better than other places that I could go. I worked as a handyman until now. when I went to work for a Trucking Co. named Leonard Feed + Grain; as their shop manager.

over

I worked for them until March of 1989. I was putting in 70 to 80 hours a week and due to them being an interstate carrier, they did not have to pay me overtime. I hand-maned again for 5 months and then went to work for Herman M. Brown Co. a Construction Heavy Equip Sales + Service, as a office clerk, doing Billing + Filing Warranty Claims. In 1990, I changed to the Shipping + Receiving and worked in that Dept.

Until Feb. 2002, at which time my job was down sized. The company ~~had~~ had been sold to Road Machinery & Supplies, which had shops in several states.

Since I was close to Retirement ~~age~~ age, no one wanted to hire me, ~~so~~ so I Retired. I wife and I, spent time visiting Grandchildren, in Kansas, visiting Family in Okla. Fishing + Gardening.

I am now suffering from the time when I was young and thought that I was over
